PETITION TO ACCEPT APPLICATION

Hon. Commissioner for Patents

March 19, 2004

Washington D.C. 20231

Los Angeles, CA 90024

Applicant hereby petition that the enclosed copy of page 1 of the specification be deemed to have been filed with the rest of the application, and that this application be accorded the filing date of September 8, 2003.

This enclosed Notice To File Corrected Application papers states that page 1 of the specification, which contains the abstract, was not filed. A copy of page 1 as originally filed, is enclosed.

The undersigned declares that the enclosed page 1 was, in fact, deposited with the application papers on September 8, 2003. The undersigned personally reviews every patent application before he personally signs the transmittal sheet and place the application in an Express Mail envelope addressed to the Patent Office. The undersigned looks at the page number of each sheet to be sure that no sheet is missing.

The enclosed post card stamped by the Patent Office, shows that 36 sheets were sent and received. The first page bears the type date of 090403 (as a footer), which is the type date of the other 35 sheets.
